## Users Group Meeting

NIBIN Branch, Firearms Programs Division, Bureau of Alcohol, Tobacco and Firearms  
Issue 2 – December 2000

There will be a meeting of the NIBIN National Users Group on Wednesday, January 10, 2001, in New Orleans, Louisiana. The meeting, jointly hosted by the FBI and ATF, will include a variety of information for firearms examiners and technicians, as well as others interested in learning about the program.

Updates on current topics such as configuration, deployment, and software modifications will be presented. There will also be a booth illustrating NIBIN operations; program office and technical personnel, as well as representatives of FTI and CSC, will be available to answer questions. A variety of written materials will be distributed at the meeting, including fact sheets on website expansion and the newest version of the NIBIN user directory.
